

Dear Parents,

Recent changes in the Early Years Funding regulations means we have to change our nursery fees structure to remain compliant and to allow you to benefit from the funding this scheme provides.

As a result of the changes the funded hours must be offered completely free and not as a discount. The funded hours will therefore now cover the entirety of the cost of the afternoon during term time. The cost of a child attending nursery full time will therefore remain the same.

These changes will take effect immediately. In order to support our families we will adjust your invoice to offset any extra cost incurred this term. However, from Easter 2026 any adjustment will no longer be included and the fee structure as shown on the enclosed document will be fully implemented.

Please see attached a copy of our updated [fee structure](#) together with a [Q&A document](#).
